Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.

Destination Control Statement

These items may be controlled by the U.S. Export Administration (EAR) Government, EU Regulation (EU) 2021/821 and local laws, and are authorized for export only to the country of ultimate destination for use by the ultimate consignee or end-user(s) herein identified. They may not be resold, transferred, or otherwise disposed of, to any other country or to any person other than the authorized ultimate consignee or end-user(s), either in their original form or after being incorporated into other items, without first obtaining approval from the U.S. Government, the EU and local authorities or as otherwise authorized by U.S., EU and local law and regulations. By accepting delivery of any portion of this shipment, the recipient and/or their appointed agent agree to comply with U.S. Export Regulations, Regulation (EU) 2021/821, and local export, re-export, transfer, and transshipment regulations. Without limiting the generality of the foregoing, certain ASM items are not permitted to be incorporated into, or used in the production or development of, any part, component, or equipment produced, purchased, or ordered by any entity with a footnote 1 designation in Supplement No.4 to Part 744 of the US Export Administration Regulations ("EAR") or involved in any transaction to which any entity with a footnote 1 designation is a party, including, without limitation, as purchaser, intermediate consignee, ultimate consignee, or end-user.
